**Certified Mail / Return Receipt Requested**

Dear Brad:

This letter provides notice to Jorgensen Forge Corporation that the United States Environmental Protection Agency has incurred \$57,709.18 in "Future Response Costs" implementing, overseeing, or enforcing the Administrative Order on Consent for Removal Action in CERCLA Docket No. 10-2011-0017. These costs were incurred by the EPA from January 1, 2015 to December 31, 2015.

Enclosed with this letter is a certified cost summary that includes the underlying support documentation. Concurrently with this notice letter, the EPA is sending a bill to The Boeing Company for payment of these costs.

The EPA may have incurred additional costs during the billing period which are not reflected in the enclosed summary. If so, the EPA will notify Jorgensen about these costs at later date. Please contact me at (206) 553-1791 if you have questions about this matter.

Sincerely,

A handwritten signature in blue ink, which appears to read "Richard Mednick", is written over a printed name and title.

Richard Mednick
